

MACPool was built by the community for the community and was opened in 1996 after a lot of hard work and fundraising by local people.

Since then it has supported the community of Mid Argyll to stay healthy by providing swimming and water-based exercise for all ages and abilities.

Now, 25 years later, we have taken the plunge and are embarking on an exciting redevelopment to broaden our provision and include a soft-play area, café and multi-use rooms for hire, suitable for complimentary/physical therapies, classes, meetings and much more, as well as updating our changing facilities.

More than £1.3 million has already been raised for the capital costs and we are now launching a community fundraising project to help fit it out.
